Highlights

2 styles
2 attachments which can provide you both straight and curl styles in an easy manner.

Cool tip

The tip of the styler is made from a special heat insulating material to keep it cool; you can safely hold it while you're styling for optimal ease of use.

More care with Ceramic element

The ceramic element issues far infrared heat, which has a gentle warmth that helps dry your hair from within and protects it from overdrying, without compromising on speed and effectiveness.
